EXPORT REQUIREMENTS TO INDONESIA

ELIGIBLE/INELIGIBLE PRODUCTS

A. Eligible

1. Fresh/frozen red meat and red meat products
2. Fresh/frozen poultry and poultry products (See Restriction in B)

B. Ineligible

1. Beef Lungs are considered as "other edible offal of bovine animals" in Indonesia. They are eligible to be exported to Indonesia from countries that collect lungs as edible product. Lungs are considered inedible product in the United States and must be labeled "Not Intended for Human Food." Therefore, they are not eligible for export to Indonesia.
2. Poultry and poultry products from birds raised or processed within a 50 km radius of the Newcastle disease quarantine zone established by the States of California, Nevada, Arizona, and Texas. Consult the following Web sites for information on the current area of the quarantine zones:*

California: http://www.cdfa.ca.gov/ahfss/ah/Newcastle_info.htm

Nevada: <http://.agri.state.nv.us/END.htm>

Arizona: <http://www.agriculture.state.az.us/newcastle.htm>

Texas: <http://www.agr.state.tx.us/index.htm> *

Note for California, there is an underscore between Newcastle and info if typing in this URL.

DOCUMENTATION REQUIREMENTS

Fresh/frozen red meat and poultry products

1. Obtain FSIS Form 9060-5--Export Certificate of Wholesomeness.
 - a. Correct production and expiration dates should be typed in the "Remarks" Section.
 - b. The form must be signed and dated by an FSIS veterinarian.
2. Poultry exported for further processing in Indonesia and subsequently exported to Japan must comply with the following statement.
 - a. Provided that the poultry complies, this statement may be provided in the "Remarks" section of FSIS Form 9060-5, if requested by the exporter:

"There have been no outbreaks of fowl pest (fowl plague) for at least 90 days in the United States. Further, in the area where the birds were produced (such an area being within a minimum radius of 50 kilometers from the production farm), Newcastle's disease, fowl cholera, and other serious infectious fowl diseases as recognized by the government of the United States, have not occurred for at least 90 days".
 - b. Poultry is restricted for export to Japan from certain States for specific periods. Certification must be provided that poultry did not originate from or transit unsealed through these States during the restricted periods relative to each affected State. Obtain the [appropriate statements from the Japan requirements](#).*

These statement are a requirement of the Japanese health officials for poultry produced in the United States.

PLANTS ELIGIBLE TO EXPORT

1. All Federally inspected U.S. meat and poultry establishments are eligible to export to Indonesia.
2. Sample shipments. Shipments weighing less than 10 kg (22 lb) do not require an import permit.

IDREV17 - 4/11/2003

INFORMATION REGARDING HALAL CERTIFICATION

The following is presented as information for the exporter. FSIS is not responsible for certifying that products intended for export to Muslim countries meet appropriate requirements for religious slaughter. Procedures for export certification do not include Agency oversight of the Halal process or review of the authenticity of the Halal certificate.

Ritual Slaughter--Islamic Slaughter Certification.

The exporter must obtain a Certificate of Islamic Slaughter from a member of an Islamic Center or Islamic organization. A Certificate of Islamic Slaughter is a certificate issued by a member of a Moslem organization recognized by the importing country to provide this service; the certificate states that animals were slaughtered according to Moslem religious requirements. This certificate must accompany products labeled "Halal." The certificate must be endorsed by the Arabian-American Chamber of Commerce . The telephone numbers of the Arabian-American Chambers of Commerce are attached:

ARABIAN-AMERICAN CHAMBERS OF COMMERCE

1. NATIONAL U.S.-ARAB CHAMBER OF COMMERCE

1330 Post Oak Blvd., Suite 1600

Houston, TX 77056

(713) 963-4620

(713) 963-4609

Halal Labeling

1. Halal labeling is an exporter and Halal organization responsibility.
2. Frozen poultry and poultry products are not always required to have Halal Certification. Exporters are advised to verify this with their importer prior to shipping.
3. Processed products with Halal label claims are not required to have a Halal Certificate, but the raw materials used in these processed products must be accompanied by an appropriate certificate.
4. Shipment for U.S. military personnel - The Certificate of Islamic Slaughter may be waived if products are shipped for consumption by U.S. personnel.
